Odyssey Bus Policy:

Until the APS bus arrives at the designated time in the morning and after the APS bus arrives at the designated time in the afternoon, **the safety of your child is your responsibility.** Odyssey cannot accept responsibility for students who “miss the bus” in the morning or whose parents are not there to meet them in the afternoon. If the bus drivers are delayed because they must wait for a parent to arrive, this delays all other stops on the route and inconveniences other parents. If you are not there to drop off (mornings) or meet (afternoons) your student, your child may not be able to continue utilizing Odyssey’s complimentary transportation. APS will report on guardians who are late. If your child is not picked up on time more than once, Odyssey holds the right to ask the family to find alternative transportation means.
